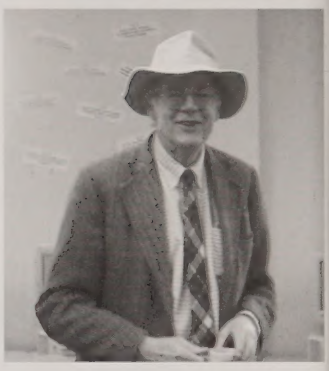
Lessons Learned



We walk through the halls of Monson High School with the expectation to learn. We know that the classes from Child Development to AP Calculus will prepare us for the future. Yet the most valuable learning happens outside of the classroom. It happens at lunch, on the soccer field, and during the countless moments when we least expect it. Monson High School has taught us how to become good people and how to understand each other. We learn from our peers too, because all of us have something to teach. Sometimes its as simple as learning how to survive the halls of MHS or as complex as helping a friend get over a loss. At the end of the day, it is important to recognize and embrace the lessons that our friends, teachers, and families have taught us.

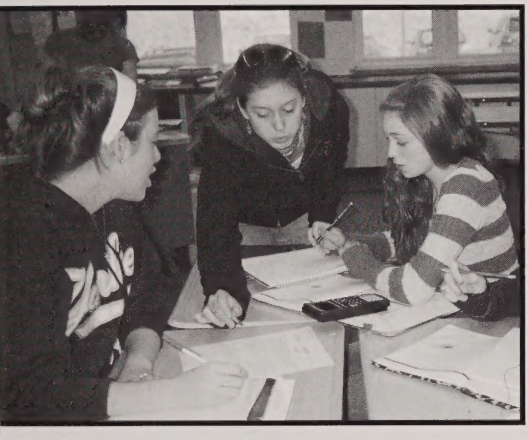
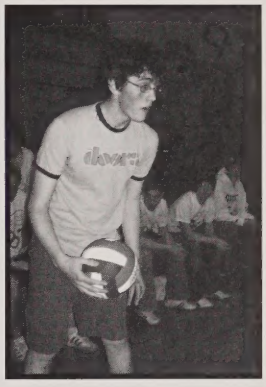
CLASS OFFICERS





2010

The transition from middle school to high school can be difficult, but this year the freshman class made a great first impression on Monson High School. In the first semester, the class had the best overall grades in the school. Their performance in the One Act Plays was made memorable by their show of great talent. Many fundraisers brought in a significant amount of money. In the fall, they held a successful cookie fundraiser and in the spring they carried out "Send a Flower to a Senior." This year was full of excitement and the class of 2010 is looking forward to the lessons and adventures that await them in the years to come.

CLASS OFFICERS

2009

The sophomore class has proven to be a very entertaining and fun-loving group of students. During the school year, they participated in the One Act Play productions, became Big Brothers and Sisters, and researched possible careers in English class. Additionally, our Yankee Candle fundraiser helped our class raise money for prom and other future class activities. With only two years remaining, they are ready for whatever comes our way.

Students dressed to impress for the Halloween dance. The costumes ranged from lifegaurds to ghost busters and everything in between. The police squad, man riding the ostrich, and the banana seemed to make an impression on the judges. They all won the costume competition with a prize of free admission to winter carnival. The overall turnout was better than expected and spirits stayed high even after the first breathalyzer event of the school year.

Juniors

CLASS OFFIERS

2008

This was a busy year for the dynamic junior class. In addition to winning One Act Plays for the third year in a row, the class held the prom, which many juniors attended for the first time. Everyone in the class has changed so much over the last three years at MHS. They have gained maturity and have grown much closer. As the juniors start to prepare for their senior year, it is certain that they are ready and excited to finally be the oldest ones in the school.

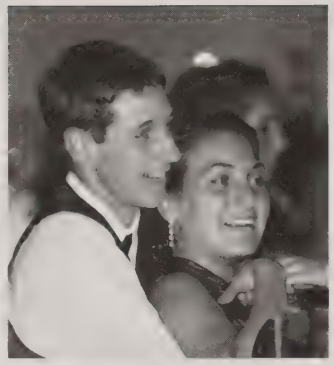
Prom '08

Diamonds are Forever

Prom 2008 was one of the best in many years! Held at the Takoa Country Club, it was the perfect atmosphere for a fun night filled with great food, friends, and dancing. This year's Royal Court consisted of Victoria Lemay, Joe Allard, Kyle Rodrigues, Casey Greene, Julie McBride, Patrick Mahar, Brittany Norton, and Matt Wawrzyk. Liam Moriarty and Lyla Brown took home the honors of the 2007 King and Queen. There was a variety of attire, ranging from thrift store suits to the most extravagant gowns. Black, white, and red were very popular this year and couples did an excellent job matching. The crowd was shocked when Senora Webster put on an amazing show by performing a spanish dance.

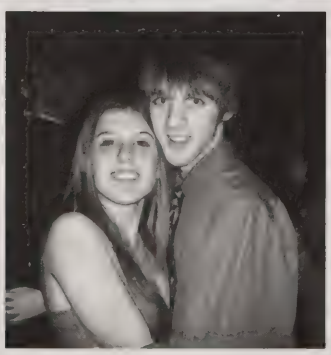
The beautiful weather and great entertainment that night made this year's prom a big success. Prom 2007 was truly a night to remember.



Winter Carnival '07

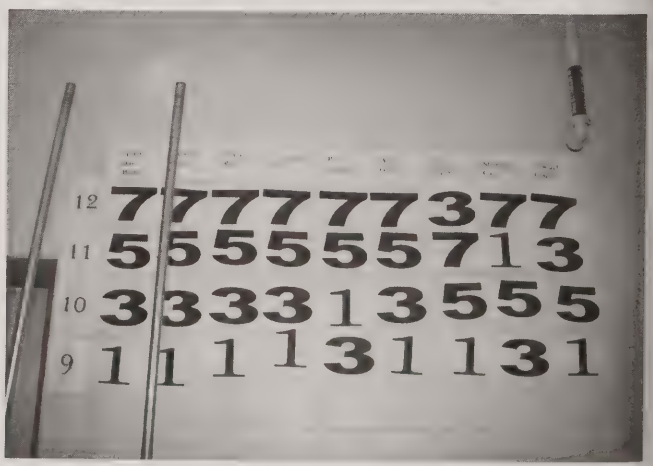
Winter Carnival Court

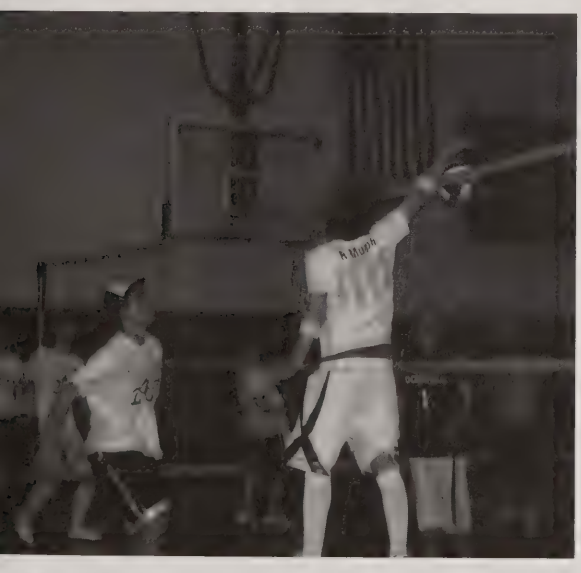
A new year, another amazing Winter Carnival. Tim Newton and Sam Strong won the honors of King and Queen while Matt Ferry, Brooke Lord, Keith Sisco, Moira Sheehan, Andy DuComb, Gianna Albano, Ryan Murphy, and Emily Cote made the royal court. Congratulations, everyone looked great!



"I'll be there for you"

Winter Carnival Competition





The changing of semesters started with a bang as Winter Carnival took the school by storm. Throughout the week students donned their hats, pajamas, superhero costumes, and school colors for spirit week. The interclass competition produced an overwhelming wave of school spirit. Staying true to tradition, the senior class won the Winter Carnival Competition. Surprisingly, the junior girls won first place in the volleyball tournament but the senior boys proved to rise to the occasion and took home first place.

2007 SENIORS

Although they did not obtain the title o League Champions this year, as a whole and individually, they improved greatly. None of them regretted their performances after any of their meets. Everyone always put their best foot forward and earned their points and places in the race. This was definitely due to the tremendous amount of effo put into every practice. Their daily eig minute abs, and lets not forget ten mil Fridays definitely contributed to their performance. As a quote from their coach, Mr. Devine, states "When you want to improve on a drawing, you draw. If you want to get better at running, you run." Although the team i losing five of its seniors for next seaso they will still strive for victory. Until then, they will keep on running

Cross Country

I love running Cross Country because...

I love running, the feeling of being a part of a team, the crazy but cool Coach Devine, and I love the feeling of success a runner gets when he finishes a race. -Peter Sauriol

I love how it's completely your race. If you put in a good effort at practices you'll have better races, along with just running hard, too. Courtney O'Conner

A word from the coach...

"The MHS Girl's Cross Country team ran an outstanding 13-1 season. The dedication, work ethic, team enthusiasm and unity was a pleasure to be a part of. With 12 freshmen on this year's team, the future is indeed bright. We will miss four very special people, senior's Jamie Richmond, Allison Evans, Kate Peck, and Caitria O'Neill. The team won't be the same without them." -Coach Roebuck

Soccer

The 2006 Boy's Soccor Season is one to be celebrated. After many successful games, the boys made it to the Western Massachusetts Tournament. By working as a team, they defeated Gateway Regional High School 1-0 and advanced to the state semi-finals. Their game against Bartlett was a nail biter. Unfortunately for the boys, they lost in the second overtime of the game. Although the boys were disapointed, spirits were high because the Monson Boys played a game to remember.

As the sun beat down on the green field, the sweat began dripping from the girls faces. Their chests pounded and their heads were throbbing as the whistle blew, their season began. The team this year had many accomplishments including both personal and as a team. The four seniors Megan McNeil, Caitlin McNeil, Gianna Albano, and Sam Strong will be greatly missed. Good luck next year girls, you have big shoes to fill.

2007 SENIORS

The 2006-2007 boys basketball season was a success in the eyes of many. Qualifying for the postseason tournament for the first time in three years, the team showed signs of brilliance throughout the year. Playing in a very competitive league, they refused to back down from anybody, knocking off highly praised teams in the process. Great teamwork and hustle propelled the team to the tournament where, although they lost in the first round, they proved that they belonged. It was a successful year for a team who hopes to be even stronger next year.

Basketball

The Lady Mustangs went into the 2006-2007 season with high hopes of going deep into the playoffs. This year the team had a strong mix of seniors and underclassmen who were enthusiastic and ready to have an exciting season. They made the playoffs with a win against Putnam and finished the season in second place in the Bi County West League. They beat Pathfinder in the first round of the Division III playoffs but lost to New Leadership in the second round. Good luck to the seniors and to next years team!

Swimming

The boys and girls varsity teams swam an outstanding season! There were a lot of victories for the team and many swimmers exceeded their personal goals. Grahm Easton, one of the male captains, managed to take off over seven seconds of his time in the 100 yard breast stroke. We will miss our captains: Ryan Shorette, Grahm Easton, Russel Hatch, and Ariane Shrenker. However, we will continue to look forward to another successful season with the addition of new talented swimmers: Maggie O'Shea, Hannah Russel, Isabella Grasetti, Ethan Dubois, Scott Cinclaire, and Gavin Easton who will lead our team to many victories.

Captain Ryan Shorette gets set up for the meet

2007 SENIORS

As usual, the Varsity softball team put their best effort forward this year. They had a great season, making it to the tournament for the first time in over five years, but their biggest success was in truly coming together as a team. That, combined with Mr. Murrarys coaching, must have truly given them the edge that they needed to get ahead. In seeing how all of the girls interact with each other and the close-knit relationships that all of them seemed to share, it is no wonder that they went above and beyond in their 2007 season. Hopefully this is a formula that they can use to carry them in to 2008 as well.

Baseball & Softball

This year's Varsity baseball team compiled a record of 8-10 that consisted of many thrilling and exciting games with dramatic finishes. The team started the year with a 1-5 record but began to catch fire at the end of the season. The Mustangs went on to win 6 of their last 10, only to fall one game short of making the Division III Tournament for the second consecutive year. New coach Tony Dismukes brought a heart-felt passion and vigorous baseball knowledge to the team. This year's pitching staff was anchored by Ian McNaughton, Nick Petrisis, and Ben Murphy, and solid contributions were put in by Mike Walker, Alex Harrington, Ethan Dubois, Tommy Vear, and Nick Joseph as well. Newcomers to the team, sophomore Derek Thrasher, freshmen Ben Murphy, Ethan Dubois, Tommy Vear, and Nick Joseph all played key roles in Monson's success this season. Veteran leadership came from seniors Matt Ferry, Ian McNaughton, Alex Harrington, Pat Raymond, Ryan Bigos, juniors Nick Petrisis and Tom McLeod, and sophomore Mike Walker. Some major wins included an 8-1 win over Ware, a 3-1 victory over Sci-Tech, a 9-4 extra inning battle against Bay Path, and a 4-run come from behind victory against Holyoke Catholic. The Mustangs were also 3 outs away from beating rival Palmer in their final game of the season to clinch a seed in the D-III tournament. Overall, the Mustangs played a hard-fought and commendable season of games.

Track and Field

Girl's Track and Field

The girls track and field team had another great season. This year seven girls qualified for Western Massachusetts and the relay team placed 4th in the division. The team consisted of 54 students, ranging from seniors to middle school students, but everyone contributed equally to the success of the team. Seven seniors will be leaving this year and they will be deeply missed. As Coach Evans reflected, "Seniors will be missed because of their leadership and they way they helped to inspire many younger athletes." The girls track team showed outstanding talent, and everyone is looking forward to the rising stars of next season.

Boys Track and Field

The boys track and field team had another remarkable season. With hard work and determination they managed to break four school records: the 200 meter dash, 300IH, Shot Put and 4X4 relay. Fifteen students qualified for the Western Massachusetts Track and Field Championships. This year the team lost several seniors, but they ended strongly with an overall record of 24-4. In all, the team continued to improve as the season progressed due to outstanding team spirit and their motto "We may not be the best, but we are the best looking".

Mustang Pride!

This season, the team grew much larger than in previous years. The girls excitement showed for their performances at the Pathfinder away game , the Ware away game and the Winter Carnival Pep Rally. The cheerleaders learned new mounts and tricks to add to their repertoire and worked very hard to perfect them. At the end of the year, the team was very sad to see the senior girls leave .

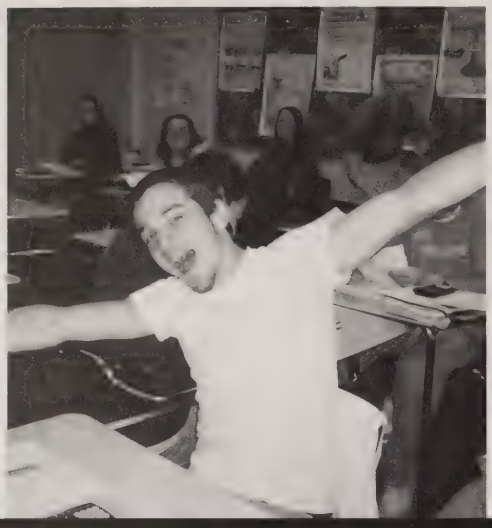
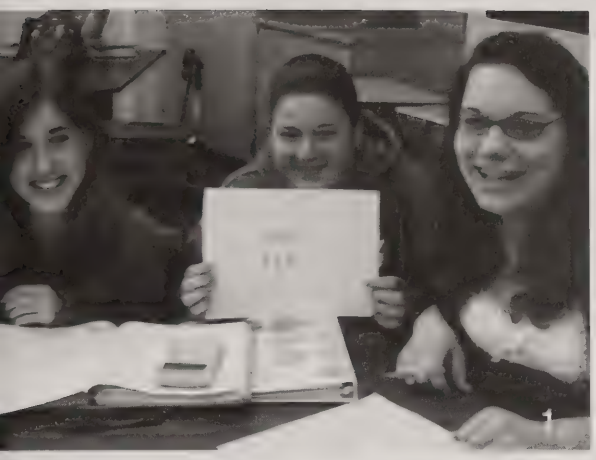
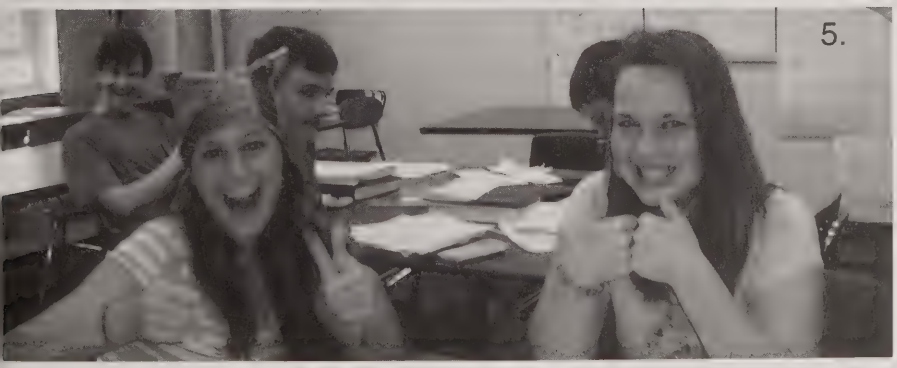
LESSONS LEARNED



Left to Right (starting at top):Stay out of Brett's way...you might get run over, or worse! -- Liam has trouble containing himself --Sam is the life of the party when it comes to sporting event bus rides.-- Do not leave Kasey alone in the Chemistry Lab -- Some high school boys try too hard to look tough--Kellie is an aspiring mathematician-- Don't mess with Raechel--Dozing in class allows one to catch up on much needed sleep.



1. Drawing in Math class can be both entertaining and educational
2. It is usually okay to chew gum in class just don't get caught.
3. Ryan is a closet goof ball.
4. Always try to enjoy high school to its full potential.
5. The best relief from a tough class is the support of friends.



eniors I hope you learned your lesson...Show your real pearly whites on picture day, you never know where the picture might end up!

Music

The Tri-M Music Honor Society consists of 20 students from MHS, including the five officers: President Karin Heim, Vice President Heather Johnson, Secretary Alli Evans, Treasurer Josiah Durham, and Historian Kendra Wilson. These hard-working and talented "modern music masters" have accomplished much this school year. Their second annual badminton tournament fundraiser was a huge success, not to mention a fun time for all! This group also perfroms a great deal of community service: from performing at local nursing homes to daycares, they seem to be busy. This year, four of the five officers went to the Tri-M National Conference held at Connecticut Conventional Center in Hartford.

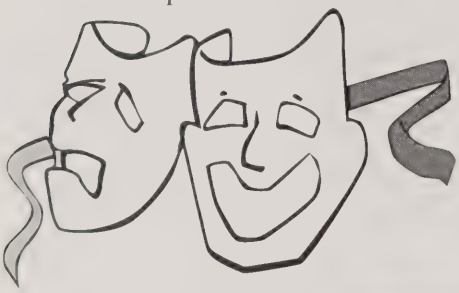
One Act Plays

Lights...
Camera...
Action!

After preparing for weeks, opening night finally came. Each class stirred up laughter with their dysfuctional characters and creative jokes. Brett Cadieux was named best overall actor for his performance as a crazy scientist. The best play was awarded to the Junior class for their amazing performances. The Freshmen class had a great first run, with a story about a quirky detective and her final case. The seniors, all-female cast showed a spunky remake of Cinderella's story. Great performances were made by all!



Right: Sophomore girls Ashley King, Caitlyn Hobbs and Marlene Bahlke show their pearly whites after an astounding performance.

Far Right: Looks like Chris Heine did not want to "kiss the cook," Jimmy Dunn.

The 2006 One Act Plays

Left: The Mad Scientist, Brett Cadieux, and the Spanish Gardner, Josiah Durham, strike a pose.

Below: Ariane Shrenker lends a helping hand to Jamie Richmond as they prepare for their big debut.

Above: Monique Vacon, Jackie Rickson, Tegan O'Neil, Jorgi Mill and their fellow freshman actresses were relieved to be done with their first high school performance.

Left: Sophomores Abby Cote, Brittany Brown and Emma Hood...meow.

A Note From the Editors:

The theme of the 2006-2007 yearbook was "Lessons Learned." As seniors leaving Monson High School, we have learned so much throughout the years from our peers, teachers, and friends. However, when we looked back on the most important lessons learned in high school, it wasn't the material found in text books or the lectures that seemed to last forever. This book focuses on those little lessons we learn in the process that will stay with us forever.
This year's book was a great success. We had such a dedicated and creative staff and with everyone's help, we got a lot accomplished and made a book that we all should be extremely proud of! To the Staff, we cannot thank you enough for all the time and effort you put into this year's book. We truly understand the sacrifices you made to getting your assignments done on time. We were always surprised at how well each assignment was completed and how you never failed to exceed our expectations.

To Mrs. Pisciotta, thank you for taking over and helping us get the book done in time. You have always been so understanding and we are extremely grateful. To Mrs. Chaput, thank you for all you have done for us as our advisor. We wish you the best of luck in the future. We will miss you!! To next years staff, we wish you the best of luck. -Liz and Jazzy

To My Baby Girl on Her Graduation...

Always look inside for the flame that lives in your soul:
It will be the warmth of your smile on the coldest day.
It will be the light that leads you on the darkest path.
It will be the sound of laughter on the quietest night.
It will be the strength that holds you when the load is heavy.
My wish is that it will also be the heart of every moment we've made
Every snuggle we've shared, every bubble we've blown
Every moment we have loved together.

Congratulations, Chloe!
I admire all that you've accomplished-
I can't wait to see what else you do in life!
I Love You, Baby!

Congratulations Class of 2007!
From all of us here at
Monson Roll-A-Way Lanes

'Finny sat down on a bench, struggled out of his sheeplined winter coat, and took a deep breath of gymnasium air. No locker room could have more pungent air than Devon's; sweat predominated but it was richly mingled with smells of paraffin and singed rubber, of soaked wool and liniment, and for those who could interpret it, of exhaustion, lost hope and triumph and bodies battling against each other. I thought it anything but a bad smell. It was preeminently the smell of the human body after it had been used to the limit, such a smell as has meaning and poignance for any athlete, just as it has for any lover." (Gene Forrester, narrator)

– John Knowles, A Separate Peace

QUOTES On A BEDROOM DOOR

Imagine

Imagine there's no heaven,
it's easy if you try,
no hell below us,
above us only sky,
Imagine all the people
living for today...

Imagine there's no countries,
it isn't hard to do,
nothing to kill or die for,
no religion too,
Imagine all the people
living life in peace...

Imagine no possessions,
i wonder if you can,
no need for greed or hunger,
a brotherhood of man,
Imagine all the people
sharing all the world...

you may say i'm a dreamer
but i'm not the only one,
i hope some day you'll join us,
and the world will live as one.

– John Lennon (1971)

"What I must do is all that concerns me, not what the people think. This rule, equally arduous in actual and intellectual life, may serve for the whole distinction between greatness and meanness. It is the harder, because you will always find those who think they know what is your duty better than you know it. It is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great person is one who in the midst of the crowd keeps with perfect sweetness the independence of solitude."

– Ralph Waldo Emerson (Self-Reliance)

L'argent ne fait pas le bonheur.

"We need more women in public life," said Dr. Maketsi. "They are very practical people, women. Unlike us men."

Mma Ramotswe was quick to agree. "If more women were in power, they wouldn't let wars break out," she said. "Women can't be bothered with all this fighting. We see war for what it is – a matter of broken bodies and crying mothers."

– Alexander McCall Smith, The No.1 Ladies' Detective Agency

JAMIE RICHMOND

Born in 1988, **The Year of the Dragon**, you were blessed with luck, intelligence, agility, benevolence, determination and physical beauty. Use these gifts wisely to better yourself and the world; you are destined for greatness.

Buy the 2007-2008 school yearbook!

It's easier than ever with online sales as well as at school. Ask the yearbook staff and advisors if you have any questions.

Your Ad Here

Would you like to advertise for you business? Perhaps you and your friends would like to leave your own personal message to remember the school year. Or, maybe you would like to leave a message for a graduating senior? If so, buy some ad space. Ads are sold in 1/8, 1/4,1/2 and full page allotments. If you have any questions, contact the yearbook staff or advisors.
